Christian College Scholarship Fund

We will be taking time to honor our high school graduates during our morning service on May 21st. This year, we have three graduates. Brooklyn Barker, Kinzee Stockdale and Ben Lutz. We will also be taking a special offering on that day to go towards our college Christian College Scholarship fund. This fund is divided up between each student that attends a Christian college. Money can be given to this fund at any time, but we will place a special emphasis on the fund that Sunday. In the fall, we will have four students from our church attending a Christian college.

Building Fund

We will be starting a building fund for the purpose of fixing our steeple. When we have severe rain, the steeple leaks causing water damage on the ceiling tiles and soaking the floor in the entrance way. We are in the process of getting quotes for this repair, but wanted to start a fund to help out with this expense. More information will be coming in the next few months about this once we are able to fully assess the damage and get repair quotes.

To give to either of these special funds, write the name of the fund on the envelope and place it in the offering box or in the offering. We ask that the money given to these funds be over and above what you would give in your weekly offering.
